MEMORANDUM FOR:

THROUGH : Director of Strategic Research
FROM : Presidential Briefing Coordinator
SUBJECT : Presidential Briefing on Kampuchea (C)

1. On 10 January 1979 the Director briefed the President on Kampuchea. The President noted that the impression he had previously held was dispelled when he was advised that the Kampuchians weren't totally down and out and that the situation might go on as a guerrilla war. There were a number of questions arising out of this briefing which the Director fielded based on your tutorial earlier that day. The Director feels that this was a very useful briefing. (S)

2. The Director has asked me to relay his thanks to you for your work in preparing this brief. He views such briefings as one of his most important responsibilities as Director of Central Intelligence. (U)
